DETECTIVES FAIL TO APPEAR IN COURT

[Special to The Times-Dispatch.]
Salisbury, N. C., July 29—A small sensation occurred in Salisbury to-day, when, three deteives, who were brought to this city two weeks ago failed to appear in Rowan County Court as witnesses against seven Salisburians who were inducted for retailing liquor. The citizens indicted were J. R. McLean, D. M. Balackwelder, Homer Miller, Pink Moore, S. C. Miller, George Masters and C. H. Chaines. The detectives who worked up the indictments are H. K. Taylor, J. W. Schults and W. A. Norvell.

Upon the failure of the detectives to appear it was rumored that they had been assaulted and spirited away, but this report lacks confirmation, and the Salisbury officers are entirely in the dark as to what became of the detectives. The cases were continued until August 12. The affair has caused much talk and some excitement in Salisbury, and there is considerable conjecture as to what became of the three men who swore out the indictments. Membership Large, While Men Effect of Roosevelt Address Viewed From Differing Standpoints. Enthusiastic.

Evidences of new life have appeared of late in the local battalion of the First Virginia Infantry to such an extent as to greatly encourage those officers who have been bending their efforts toward building up the battalion. All of the companies are up to the standard in number, all of their members are enthusiastic and are working hard, while the personnel of the command has greatly improved.

Especially gratifying is this condition in view of the fact that the semiannual encampment is at an end. Although the men worked hard there, and were much disappointed at the fallure to receive their pay at the expected time, they are showing more faithfulness than usual in attending drill and in discharging their military duties.

The belief is expressed that with the help of some of the members of the "Old First," the battalion can be brought up to the position it once occupied.

COURT AUTHORIZES SALE OF CHURCH PROPERTY

An order was yesterday entered in the City Circuit Court by Judge Scott authorizing the trustees of St. James Episcopal Church to sell the church and lot, at Marshall and Fifth Streets, to Isaac and Moses Thalhimer, for \$50,000.

The congregation held a meeting on July 18, when a resolution was adopted approving the contract for the sale of the old church and lot, made by the trustees on June 20. The resolution authorized the trustees to apply the \$50,000 on the purchase of a lot and the erection of a new church at Frank-lin and Birch Streets.
